States' Decisions on Insurance Exchanges and Expanding Medicaid Under the ACA

A state-by-state look at Exchange and
Medicaid expansion decisions

>> kff.org/state-decisions-exchanges-medicaid/

MORE RESOURCES ON KFF.ORG

Public Tracking Surveys: New survey results released monthly on public attitudes and knowledge of the ACA and other health issues. An interactive feature allows for breakouts by age, race, income, gender, political party and insurance status.

Infographics: Easy-to-follow decision trees take users through different scenarios, including insurance options for individuals and employer requirements.

State Health Facts: State-level health data including nearly 50 health reform indicators. Maps and trend graphs are available for select indicators.

Fact Sheets and Reports: Explanatory pieces on key health reform issues, from basic fact sheets to more in-depth briefs and original analyses.

Perspectives: Observations and analytic posts by Kaiser experts about topical health policy issues.
