

AMENDED IN SENATE APRIL 7, 2011

SENATE BILL

No. 411

Introduced by Senator Price
(Coauthors: Senators Padilla and Vargas)

February 16, 2011

An act to add Chapter 13 (commencing with Section 1796.10) to Division 2 of the Health and Safety Code, relating to public health, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

SB 411, as amended, Price. Home Care Services Act of 2011.

Existing law provides for the In-Home Supportive Services (IHSS) program, a county-administered program under which qualified aged, blind, and disabled persons receive services enabling them to remain in their own homes. The IHSS program includes various eligibility requirements for individuals who provide services to recipients under the program. Under existing law, a private provider of in-home care services is not subject to the requirements of the IHSS program.

Existing law provides for the licensing and regulation of various community care facilities by the State Department of Social Services.

This bill would enact the Home Care Services Act of 2011, which would provide for the licensure and regulation of home care organizations, as defined, by the State Department of Public Health. The bill would specifically exclude entities that provide services under the IHSS program from the definition of a home care organization. The bill would impose various licensure requirements on a home care organization and would also impose a civil penalty on an individual or entity that operates a home care organization without a license. The bill would require a home care organization to inform a client of certain

things before arranging for the provision of home care services, as defined, to that client, including, but not limited to, the types and hours of available home care services ~~and~~, the extent to which payment may be expected from specified sources, *and the availability of services provided by the State Long-Term Care Ombudsman*. In addition, the home care organization would be required, among other things, to distribute to the client its advance directive policy and provide a written notice to the client of certain rights. The bill would also prohibit a home care organization from hiring an individual as a home care aide unless that individual meets certain requirements, including, but not limited to, demonstrating that he or she has specified language skills and completing a minimum of 5 hours of training as specified.

This bill would require a home care organization to conduct background clearances on home care aides, as specified, and to require home care aides to demonstrate they are free of active tuberculosis. The bill would also require a home care organization to conduct regular evaluations of its home care aides, as specified, and to ensure that home care aides demonstrate basic competency in certain areas. The bill would establish the Home Care Organization and Home Care Aide Certification Fund, would authorize the department to impose various fees to be deposited in that fund, and would make a continuous appropriation from that fund, except as specified, to the department to carry out the provisions of the bill. This bill, in addition, would prescribe enforcement procedures, fines, and penalties for violations of the act.

Vote: majority. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature hereby finds and declares all of
- 2 the following:
- 3 (a) Seniors, individuals with disabilities, and the frail elderly
- 4 frequently find themselves in need of part-time to full-time
- 5 assistance from a caregiver in order to live at home independently.
- 6 (b) Out of the 701,000 estimated home care aides working in
- 7 the country, more than 70,000 work in California.
- 8 (c) The Employment Development Department has identified
- 9 home care services as one of the fastest growing fields of
- 10 employment.

1 (d) In California, most individuals hiring a home care
2 organization believe that the home care aide entering their home
3 has been thoroughly screened and trained. However, a business
4 license is the only requirement needed to provide nonmedical home
5 care services in an individual’s home.

6 (e) In view of the increasing number of home care aides entering
7 private homes, the number of incidents of abuse and neglect by
8 home care aides currently being reported in the media is alarming
9 and concerning because, according to prosecutors, for every
10 reported incident of abuse or neglect, four others go unreported.

11 (f) Twenty-three states, including Texas, Illinois, Florida, and
12 New York, have standards requiring home care organizations to
13 register or obtain a license.

14 (g) Discharge planners commonly maintain lists of home care
15 aides and home care organizations for purposes of patient referral
16 without any information about the individuals or the organizations,
17 thereby placing both the patient and the referring organization at
18 risk.

19 (h) Typically, family members looking for home care services
20 are in a crisis and will not ask all of the “right” questions when
21 choosing a home care organization. In addition, there is currently
22 no centralized list of home care organizations in California for
23 family members, seniors, or disabled individuals to consult when
24 in need of home care services for their loved ones or themselves.

25 SEC. 2. Chapter 13 (commencing with Section 1796.10) is
26 added to Division 2 of the Health and Safety Code, to read:

9 (1) Services authorized to be provided by a licensed home health
10 agency under Chapter 8 (commencing with Section 1725).

14 facility pursuant to Chapter 2 (commencing with Section 1250).

15 (4) In-home supportive services provided pursuant to Article 7
16 (commencing with Section 12300) of Chapter 3 of Part 3 of
17 Division 9 of the Welfare and Institutions Code.

19 from employing a home care aide without the assistance of a home
20 care organization.

35 be applied to deny a license if the individual or individuals, as
36 applicable, present evidence satisfactory to the department that

13 certification training in Section 1796.60.

14 1796.62. (a) A home care organization shall conduct and pay
15 for a background clearance on an individual hired as a home care

15 the background clearance pursuant to this section.
16 1796.63. (a) An individual hired as a home care aide on or
17 after January 1, 2012, shall be terminated from employment unless

3 of subdivision (a) or (b) if that individual can produce a certificate
4 showing that he or she submitted to the examination within the
5 past two years and was found to be free of communicable
6 tuberculosis, or if it is verified by the organization previously
7 employing him or her that it has a certificate on file which contains
8 that showing.

28 of the license, whichever comes first.

29 (d) In determining the penalty or licensure action, the director
30 shall consider all of the following factors:

31 (1) The gravity of the violation, including the probability that
32 death or serious physical or mental harm to a client will result or
33 has resulted, the severity of the actual or potential harm, and the
34 extent to which the provisions of the applicable statutes or
35 regulations were violated.

36 (2) The reasonable diligence exercised by the licensee and
37 efforts to correct violations.

38 (3) Any previous violation committed by the licensee.
