LEGISLATIVE COUNSEL'S DIGEST

AB 1, as amended, John A. Pérez. Medi-Cal: eligibility.

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services.

The Medi-Cal program is, in part, governed and funded by federal Medicaid Program provisions.

This bill would, commencing January 1, 2014, implement various provisions of the federal Patient Protection and Affordable Care Act (Affordable Care Act), as amended, by, among other things, modifying provisions relating to determining eligibility for certain groups. The bill would, in this regard, extend Medi-Cal eligibility to specified adults ~~and former foster children~~ and would require that income eligibility be determined based on modified adjusted gross income (MAGI), as prescribed. The bill would prohibit the use of an asset or resources test for individuals whose financial eligibility for Medi-Cal is determined based on the application of MAGI. ~~The bill would also add, commencing January 1, 2014, benefits, services, and coverage included in the essential health benefits package, as adopted by the state and approved by the United States Secretary of Health and Human Services, to the schedule of Medi-Cal benefits.~~ *The bill would require that individuals who are enrolled in the Low Income Health Program as of December 31, 2013, under a specified waiver who are at or below 133% of the federal poverty level be transitioned directly to the Medi-Cal program, as prescribed. The bill would provide that the implementation of the optional expansion of Medi-Cal benefits to adults who meet specified eligibility requirements shall be contingent on the federal medical assistance percentage (FMAP) payable to the state under the Affordable Care Act is not being reduced below specified percentages, as specified.*

Because counties are required to make Medi-Cal eligibility determinations and this bill would expand Medi-Cal eligibility, the bill would impose a state-mandated local program.

~~This bill would require that a person who wishes to apply for an insurance affordability program, as defined, be allowed to file an application on his or her own behalf or on behalf of his or her family and would authorize a person to be accompanied, assisted, and represented in the application and renewal process by an individual or organization of his or her choice. This bill would also require the department, to the extent required by federal law, to provide assistance to any applicant or beneficiary who requests help with the application or redetermination.~~

The bill would require the California Health Benefit Exchange (Exchange) to implement a workflow transfer protocol, as prescribed, for persons calling the customer service center operated by the Exchange for the purpose of applying for an insurance affordability program, to

ascertain which individuals are potentially eligible for Medi-Cal. This bill would also prescribe the authority the department, the Exchange, and the counties would have, until July 1, 2015, to perform Medi-Cal eligibility determinations. *The bill would require the department to verify the accuracy of certain information that is provided as part of the application or redetermination process when determining whether an individual is eligible for Medi-Cal benefits, as prescribed. The bill would require the department, any other government agency that is determining eligibility for, or enrollment in, the Medi-Cal program or any other program administered by the department, or collecting protected information for those purposes, and the Exchange to share specified information with each other as necessary to enable them to perform their respective statutory and regulatory duties under state and federal law.*

~~Existing law requires the department to adopt regulations for use by the county in determining whether an applicant is a resident of the state and of the county, subject to the requirements of federal law. Existing law requires that the regulations require that state residency be established only if certain requirements are met, including the requirement that the applicant makes specified declarations under penalty of perjury.~~

~~This bill would revise those provisions to, among other things, further prescribe the circumstances under which state residency may be established and to require the department to electronically verify an individual's state residency using certain sources and would set forth how an individual may establish state residency if the department is unable to electronically verify his or her state residency. The bill would, for purposes of establishing state residency, authorize an individual to make various declarations under penalty of perjury, and would authorize other individuals, such as parents or legal guardians, to make various declarations under penalty of perjury regarding the individual's state residency if the individual is incapable of indicating intent. By expanding the crime of perjury, the bill would impose a state-mandated local program.~~

Existing law requires an applicant or beneficiary, as specified, who resides in an area served by a managed health care plan or pilot program in which beneficiaries may enroll, to personally attend a presentation at which the applicant or beneficiary is informed of managed care and fee-for-service options for receiving Medi-Cal benefits. Existing law requires the applicant or beneficiary to indicate

in writing his or her choice of health care options and provides that if the applicant or beneficiary does not make a choice, he or she shall be assigned to and enrolled in an appropriate Medi-Cal managed care plan, pilot project, or fee-for-service case management provider providing service within the area in which the beneficiary resides. Existing law requires the department to develop a program, as specified, to implement these provisions.

This bill would revise these provisions to, among other things, require the department to develop a program to allow individuals or their authorized representatives to select Medi-Cal managed care plans via the California Healthcare Eligibility, Enrollment, and Retention System (CalHEERs).

Existing law requires Medi-Cal beneficiaries, with some exceptions, to file semiannual status reports to ensure that beneficiaries make timely and accurate reports of any change in circumstance that may affect their eligibility and requires, with some exceptions, a county to promptly redetermine eligibility whenever a county receives information about changes in a beneficiary's circumstances that may affect eligibility for Medi-Cal benefits.

This bill would, commencing January 1, 2014, revise these provisions to, among other things, delete the semiannual status report requirement and require a county to perform redeterminations every 12 months. The bill would require any forms signed by the beneficiary for purposes of redetermining eligibility to be signed under penalty of perjury. By expanding the crime of perjury, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

This bill would become operative only if SB 1 of the 2013–14 First Extraordinary Session is enacted and takes effect.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The United States is the only industrialized country in the world without a universal health insurance system.

(b) (1) In 2006, the United States Census reported that 46 million Americans did not have health insurance.

(2) In California in 2009, according to the UCLA Center for Health Policy Research's "The State of Health Insurance in California: Findings from the 2009 California Health Interview Survey," 7.1 million Californians were uninsured in 2009, amounting to 21.1 percent of nonelderly Californians who had no health insurance coverage for all or some of 2009, up nearly 2 percentage points from 2007.

(c) On March 23, 2010, President Obama signed the Patient Protection and Affordable Care Act (Public Law 111-148), which was amended by the Health Care and Education Reconciliation Act of 2010 (Public Law 111-152), and together are referred to as the Affordable Care Act of 2010 (Affordable Care Act).

(d) The Affordable Care Act is the culmination of decades of movement toward health reform, and is the most fundamental legislative transformation of the United States health care system in 40 years.

(e) As a result of the enactment of the Affordable Care Act, according to estimates by the UCLA Center for Health Policy Research and the UC Berkeley Labor Center, using the California Simulation of Insurance Markets, in 2019, after the Affordable Care Act is fully implemented:

(1) Between 89 and 92 percent of Californians under 65 years of age will have health coverage.

(2) Between 1.2 and 1.6 million individuals will be newly enrolled in Medi-Cal.

(f) It is the intent of the Legislature to ensure full implementation of the Affordable Care Act, including the Medi-Cal expansion for individuals with incomes below 133 percent of the federal poverty level, so that millions of uninsured Californians can receive health care coverage.

SEC. 2. Section 12698.30 of the Insurance Code is amended to read:

12698.30. (a) (1) Subject to paragraph (2), at a minimum, coverage shall be provided to subscribers during one pregnancy, and for 60 days thereafter, and to children less than two years of age who were born of a pregnancy covered under this program to a woman enrolled in the program before July 1, 2004.

(2) Commencing January 1, 2014, at a minimum, coverage shall be provided to subscribers during one pregnancy, and until the end of the month in which the 60th day thereafter occurs, and to children less than two years of age who were born of a pregnancy covered under this program to a woman enrolled in the program before July 1, 2004.

(b) Coverage provided pursuant to this part shall include, at a minimum, those services required to be provided by health care service plans approved by the United States Secretary of Health and Human Services as a federally qualified health care service plan pursuant to Section 417.101 of Title 42 of the Code of Federal Regulations.

(c) Coverage shall include health education services related to tobacco use.

~~SEC. 3. Section 14000.7 is added to the Welfare and Institutions Code, to read:~~

~~14000.7. (a) The department shall provide assistance to any applicant or beneficiary that requests help with the application or redetermination process to the extent required by federal law.~~

~~(b) The assistance provided under subdivision (a) shall be available to the individual in person, over the telephone, and online, and in a manner that is accessible to individuals with disabilities and those who have limited English proficiency.~~

~~(c) To the extent otherwise required by Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the department shall adopt emergency regulations implementing this section no later than July 1, 2015. The department may thereafter readopt the emergency regulations pursuant to that chapter. The adoption and readoption, by the department, of regulations implementing this section shall be deemed to be an emergency and necessary to avoid serious harm to the public peace, health, safety, or general welfare for purposes of Sections 11346.1 and 11349.6 of the Government Code, and~~

1 the department is hereby exempted from the requirement that it
2 describe facts showing the need for immediate action and from
3 review by the Office of Administrative Law.
4 (d) This section shall be implemented only if and to the extent
5 that federal financial participation is available and any necessary
6 federal approvals have been obtained.
7 (e) This section shall become operative on January 1, 2014.
8 SEC. 4. Section 14005.18 of the Welfare and Institutions Code

23 and mortality, and to promote women's overall health, well-being,
24 and financial security and that of their families, it is imperative
25 that pregnant women enrolled in Medi-Cal be provided with all
26 medically necessary services. Therefore, a woman is eligible, to
27 the extent required by federal law, as though she were pregnant,
28 for all pregnancy-related and postpartum services for a period
29 beginning on the last day of pregnancy and continuing until the

39 is amended to read:

1 14005.28. (a) To the extent federal financial participation is

9 (b) Notwithstanding Chapter 3.5 (commencing with Section

32 on his or her 18th birthday until his or her 26th birthday. In
33 addition, the department shall implement the option in paragraph
34 (3) of subdivision (b) of Section 435.150 of Title 42 of the Code
35 of Federal Regulations to provide Medi-Cal benefits to individuals
36 that were in foster care and enrolled in Medicaid in any state.
37 (1) A foster care adolescent who is in foster care on his or her
38 18th birthday shall be enrolled to receive benefits under this section
39 without any interruption in coverage and without requiring a new
40 application.

~~(2) The department shall develop procedures to identify and enroll individuals who meet the criteria for Medi-Cal eligibility in this subdivision, including, but not limited to, former foster care adolescents who were in foster care on their 18th birthday and who lost Medi-Cal coverage as a result of attaining 21 years of age. The department shall work with counties to identify and conduct outreach to former foster care adolescents who lost Medi-Cal coverage during the 2013 calendar year as a result of attaining 21 years of age, to ensure they are aware of the ability to reenroll under the coverage provided pursuant to this section.~~

~~(3) (A) The department shall develop and implement a simplified redetermination form for this program. A beneficiary qualifying for the benefits extended pursuant to this section shall fill out and return this form only if information known to the department is no longer accurate or is materially incomplete.~~

~~(B) The department shall seek federal approval to institute a renewal process that allows a beneficiary receiving benefits under this section to remain on Medi-Cal after a redetermination form is returned as undeliverable and the county is otherwise unable to establish contact. If federal approval is granted, the recipient shall remain eligible for services under the Medi-Cal fee-for-service program until the time contact is reestablished or ineligibility is established, and to the extent federal financial participation is available.~~

~~(C) The department shall terminate eligibility only after it determines that the recipient is no longer eligible and all due process requirements are met in accordance with state and federal law.~~

~~(b) This section shall be implemented only if and to the extent that federal financial participation is available.~~

~~(c) This section shall become operative January 1, 2014.~~

~~SEC. 8.~~

SEC. 3. Section 14005.30 of the Welfare and Institutions Code is amended to read:

14005.30. ~~SEC. 14.~~

SEC. 5. Section 14005.36 of the Welfare and Institutions Code is amended to read:

14005.36. (a) The county shall undertake outreach efforts to beneficiaries receiving benefits under this chapter, in order to maintain the most up-to-date home addresses, telephone numbers, and other necessary contact information, and to encourage and assist with timely submission of the annual reaffirmation form, and, when applicable, transitional Medi-Cal program reporting forms and to facilitate the Medi-Cal redetermination process when one is required as provided in Section 14005.37. In implementing this subdivision, a county may collaborate with community-based organizations, provided that confidentiality is protected.

(b) The department shall encourage and facilitate efforts by managed care plans to report updated beneficiary contact information to counties.

(c) *(1)* The department and each county shall incorporate, in a timely manner, updated contact information received from managed care plans pursuant to subdivision (b) into the beneficiary's Medi-Cal case file and into all systems used to inform plans of their beneficiaries' enrollee status. Updated Medi-Cal beneficiary contact information shall be limited to the beneficiary's telephone number, change of address information, and change of name. ~~The county shall attempt to verify that the information it receives from the plan is accurate, which may include, but is not limited to, making contact with the beneficiary, before updating the beneficiary's case file.~~

(2) When a managed care plan obtains a beneficiary's updated contact information, the managed care plan shall ask the beneficiary for approval to provide the beneficiary's updated contact information to the appropriate county. If the managed care plan does not obtain approval from the beneficiary to provide the appropriate county with the updated contact information, the county shall attempt to verify the plan is accurate, which may include, but is not limited to, making contact with the beneficiary, before updating the beneficiary's case file. The contact shall first be attempted using the method of contact identified by the beneficiary as the preferred method of contact, if a method has been identified.

(d) This section shall be implemented only to the extent that federal financial participation under Title XIX of the federal Social Security Act (42 U.S.C. Sec. 1396 et seq.) is available.

(e) To the extent otherwise required by Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the department shall adopt emergency regulations implementing this section no later than July 1, 2015. The department may thereafter readopt the emergency regulations pursuant to that chapter. The adoption and readoption, by the department, of regulations implementing this section shall be deemed to be an emergency and necessary to avoid serious harm to the public peace, health, safety, or general welfare for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the department is hereby exempted from the requirement that it describe facts showing the need for immediate action and from review by the Office of Administrative Law.

~~SEC. 15.~~

SEC. 6. Section 14005.37 of the Welfare and Institutions Code is amended to read:

14005.37. (a) Except as provided in Section 14005.39, whenever a county receives information about changes in a beneficiary's circumstances that may affect eligibility for Medi-Cal benefits, the county shall promptly redetermine eligibility. The procedures for redetermining Medi-Cal eligibility described in this section shall apply to all Medi-Cal beneficiaries.

(b) Loss of eligibility for cash aid under that program shall not result in a redetermination under this section unless the reason for the loss of eligibility is one that would result in the need for a redetermination for a person whose eligibility for Medi-Cal under Section 14005.30 was determined without a concurrent determination of eligibility for cash aid under the CalWORKs program.

(c) A loss of contact, as evidenced by the return of mail marked in such a way as to indicate that it could not be delivered to the intended recipient or that there was no forwarding address, shall require a prompt redetermination according to the procedures set forth in this section.

(d) Except as otherwise provided in this section, Medi-Cal eligibility shall continue during the redetermination process described in this section. A Medi-Cal beneficiary's eligibility shall not be terminated under this section until the county makes a specific determination based on facts clearly demonstrating that the beneficiary is no longer eligible for Medi-Cal under any basis and due process rights guaranteed under this division have been met.

(e) For purposes of acquiring information necessary to conduct the eligibility determinations described in subdivisions (a) to (d), inclusive, a county shall make every reasonable effort to gather information available to the county that is relevant to the beneficiary's Medi-Cal eligibility prior to contacting the beneficiary. Sources for these efforts shall include, but are not limited to, Medi-Cal, CalWORKs, and CalFresh case files of the beneficiary or of any of his or her immediate family members, which are open or were closed within the last 45 days, and wherever feasible, other sources of relevant information reasonably available to the counties.

(f) If a county cannot obtain information necessary to redetermine eligibility pursuant to subdivision (e), the county shall attempt to reach the beneficiary by telephone in order to obtain this information, either directly or in collaboration with community-based organizations so long as confidentiality is protected.

(g) If a county's efforts pursuant to subdivisions (e) and (f) to obtain the information necessary to redetermine eligibility have failed, the county shall send to the beneficiary a form, which shall highlight the information needed to complete the eligibility determination. The county shall not request information or documentation that has been previously provided by the beneficiary, that is not absolutely necessary to complete the eligibility determination, or that is not subject to change. The form shall be accompanied by a simple, clear, consumer-friendly cover letter, which shall explain why the form is necessary, the fact that it is not necessary to be receiving CalWORKs benefits to be receiving Medi-Cal benefits, the fact that receipt of Medi-Cal benefits does not count toward any time limits imposed by the CalWORKs program, the various bases for Medi-Cal eligibility, including disability, and the fact that even persons who are employed can receive Medi-Cal benefits. The cover letter shall include a telephone number to call in order to obtain more information. The form and the cover letter shall be developed by the department in consultation with the counties and representatives of consumers, managed care plans, and Medi-Cal providers. A Medi-Cal beneficiary shall have no less than 20 days from the date the form is mailed pursuant to this subdivision to respond. Except as provided in subdivision (h), failure to respond prior to the end of this 20-day period shall not impact his or her Medi-Cal eligibility.

(h) If the purpose for a redetermination under this section is a loss of contact with the Medi-Cal beneficiary, as evidenced by the return of mail marked in such a way as to indicate that it could not be delivered to the intended recipient or that there was no forwarding address, a return of the form described in subdivision (g) marked as undeliverable shall result in an immediate notice of action terminating Medi-Cal eligibility.

(i) If, within 20 days of the date of mailing of a form to the Medi-Cal beneficiary pursuant to subdivision (g), a beneficiary

1 does not submit the completed form to the county, the county shall
2 send the beneficiary a written notice of action stating that his or
3 her eligibility shall be terminated 10 days from the date of the
4 notice and the reasons for that determination, unless the beneficiary
5 submits a completed form prior to the end of the 10-day period.
6 (j) If, within 20 days of the date of mailing of a form to the
7 Medi-Cal beneficiary pursuant to subdivision (g), the beneficiary
8 submits an incomplete form, the county shall attempt to contact
9 the beneficiary by telephone and in writing to request the necessary
10 information. If the beneficiary does not supply the necessary
11 information to the county within 10 days from the date the county
12 contacts the beneficiary in regard to the incomplete form, a 10-day
13 notice of termination of Medi-Cal eligibility shall be sent.
14 (k) If, within 30 days of termination of a Medi-Cal beneficiary's
15 eligibility pursuant to subdivision (h), (i), or (j), the beneficiary
16 submits to the county a completed form, eligibility shall be
17 determined as though the form was submitted in a timely manner
18 and if a beneficiary is found eligible, the termination under
19 subdivision (h), (i), or (j) shall be rescinded.
20 (*l*) If the information reasonably available to the county pursuant
21 to the redetermination procedures of subdivisions (d), (e), (g), and
22 (m) does not indicate a basis of eligibility, Medi-Cal benefits may
23 be terminated so long as due process requirements have otherwise
24 been met.
25 (m) The department shall, with the counties and representatives
26 of consumers, including those with disabilities, and Medi-Cal
27 providers, develop a timeframe for redetermination of Medi-Cal
28 eligibility based upon disability, including ex parte review, the
29 redetermination form described in subdivision (g), timeframes for
30 responding to county or state requests for additional information,
31 and the forms and procedures to be used. The forms and procedures
32 shall be as consumer-friendly as possible for people with
33 disabilities. The timeframe shall provide a reasonable and adequate
34 opportunity for the Medi-Cal beneficiary to obtain and submit
35 medical records and other information needed to establish
36 eligibility for Medi-Cal based upon disability.
37 (n) This section shall be implemented on or before July 1, 2001,
38 but only to the extent that federal financial participation under
39 Title XIX of the federal Social Security Act (42 U.S.C. Sec. 1396
40 et seq.) is available.

1 (o) Notwithstanding Chapter 3.5 (commencing with Section
2 11340) of Part 1 of Division 3 of Title 2 of the Government Code,
3 the department shall, without taking any regulatory action,
4 implement this section by means of all-county letters or similar
5 instructions. Thereafter, the department shall adopt regulations in
6 accordance with the requirements of Chapter 3.5 (commencing
7 with Section 11340) of Part 1 of Division 3 of Title 2 of the
8 Government Code. Comprehensive implementing instructions
9 shall be issued to the counties no later than March 1, 2001.
10 (p) This section shall remain in effect only until January 1, 2014,
11 and as of that date is repealed, unless a later enacted statute, that
12 is enacted before January 1, 2014, deletes or extends that date.
13 ~~SEC. 16.~~
14 *SEC. 7.* Section 14005.37 is added to the Welfare and
15 Institutions Code, to read:
16 14005.37. (a) Except as provided in Section 14005.39, a county
17 shall perform redeterminations of eligibility for Medi-Cal
18 beneficiaries every 12 months and shall promptly redetermine
19 eligibility whenever the county receives information about changes
20 in a beneficiary's circumstances that may affect eligibility for
21 Medi-Cal benefits. The procedures for redetermining Medi-Cal
22 eligibility described in this section shall apply to all Medi-Cal
23 beneficiaries.
24 (b) Loss of eligibility for cash aid under that program shall not
25 result in a redetermination under this section unless the reason for
26 the loss of eligibility is one that would result in the need for a
27 redetermination for a person whose eligibility for Medi-Cal under
28 Section 14005.30 was determined without a concurrent
29 determination of eligibility for cash aid under the CalWORKs
30 program.
31 (c) A loss of contact, as evidenced by the return of mail marked
32 in such a way as to indicate that it could not be delivered to the
33 intended recipient or that there was no forwarding address, shall
34 require a prompt redetermination according to the procedures set
35 forth in this section.
36 (d) Except as otherwise provided in this section, Medi-Cal
37 eligibility shall continue during the redetermination process
38 described in this section and a beneficiary's Medi-Cal eligibility
39 shall not be terminated under this section until the county makes
40 a specific determination based on facts clearly demonstrating that

the beneficiary is no longer eligible for Medi-Cal benefits under any basis and due process rights guaranteed under this division have been met. *For the purposes of this subdivision, for a beneficiary who is subject to the use of MAGI-based financial methods, the determination of whether the beneficiary is eligible for Medi-Cal benefits under any basis shall include, but is not limited to, a determination of eligibility for Medi-Cal benefits on a basis that is exempt from the use of MAGI-based financial methods only if either of the following occurs:*

(A) The county assesses the beneficiary as being potentially eligible under a program that is exempt from the use of MAGI-based financial methods, including, but not limited to, on the basis of age, blindness, disability, or the need for long-term care services and supports.

(B) The beneficiary requests that the county determine whether he or she is eligible for Medi-Cal benefits on a basis that is exempt from the use of MAGI-based financial methods.

(e) (1) For purposes of acquiring information necessary to conduct the eligibility redeterminations described in this section, a county shall gather information available to the county that is relevant to the beneficiary's Medi-Cal eligibility prior to contacting the beneficiary. Sources for these efforts shall include information contained in the beneficiary's file or other information, including more recent information available to the county, including, but not limited to, Medi-Cal, CalWORKs, and CalFresh case files of the beneficiary or of any of his or her immediate family members, which are open, or were closed within the last ~~45~~ *90* days, information accessed through any databases accessed under Sections 435.948, 435.949, and 435.956 of Title 42 of the Code of Federal Regulations, and wherever feasible, other sources of relevant information reasonably available to the county *or to the county via the department*.

(2) In the case of an annual redetermination, if, based upon information obtained pursuant to paragraph (1), the county is able to make a determination of continued eligibility, the county shall notify the beneficiary of both of the following:

(A) The eligibility determination and the information it is based on.

(B) That the beneficiary is required to inform the county via the Internet, by telephone, by mail, in person, or through other

commonly available electronic means, in counties where such electronic communication is available, if any information contained in the notice is inaccurate but that the beneficiary is not required to sign and return the notice if all information provided on the notice is accurate.

(3) The county shall make all reasonable efforts not to send multiple notices during the same time period about eligibility. The notice of eligibility renewal shall contain other related information such as if the beneficiary is in a new Medi-Cal program.

(4) In the case of a redetermination due to a change in circumstances, if a county determines that the change in circumstances does not affect the beneficiary's eligibility status, the county shall not send the beneficiary a notice unless required to do so by federal law.

(f) (1) In the case of an annual eligibility redetermination, if the county is unable to determine continued eligibility based on the information obtained pursuant to paragraph (1) of subdivision (e), the beneficiary shall be so informed and shall be provided with an annual renewal form*, at least 60 days before the beneficiary's annual redetermination date,* that is prepopulated with information that the county has obtained and that identifies any additional information needed by the county to determine eligibility. The form shall ~~be accompanied by a cover letter advising the beneficiary of~~ *include* all of the following:

(A) The requirement that he or she provide any necessary information to the county within 60 days of the date that the form is sent to the beneficiary.

(B) That the beneficiary may respond to the county via the Internet, by mail, by telephone, in person, or through other commonly available electronic means if those means are available in that county.

(C) That if the beneficiary chooses to return the form to the county in person or via mail, the beneficiary shall sign the form in order for it to be considered complete.

(D) The ~~phone~~ *telephone* number to call in order to obtain more information.

(2) The county shall attempt to contact the beneficiary via the Internet, by telephone, or through other commonly available electronic means, if those means are available in that county, during the 60-day period *after the prepopulated form is mailed to the*

beneficiary to collect the necessary information *if the beneficiary has not responded to the request for additional information or has provided an incomplete response*.

(3) If the beneficiary has not provided any response to the written request for information sent pursuant to paragraph (1) within 60 days from the date the form is sent, the county shall terminate his or her eligibility for Medi-Cal benefits following the provision of timely notice.

(4) If the beneficiary responds to the written request for information during the 60-day period pursuant to paragraph (1) but the information provided is not complete, the county shall follow the procedures set forth in *paragraph (3) of* subdivision (g) to work with the beneficiary to complete the information.

(5) (A) The form ~~and cover letter~~ required by this subdivision shall be developed by the department in consultation with the counties and representatives of eligibility workers and consumers.

(B) For beneficiaries whose eligibility is not determined using MAGI-based financial methods, the county may use existing renewal forms until the state develops prepopulated renewal forms to provide to beneficiaries. The department shall develop prepopulated renewal forms for use with beneficiaries whose eligibility is not determined using MAGI-based financial methods by January 1, 2015.

(g) (1) In the case of a redetermination due to change in circumstances, if a county cannot obtain sufficient information to redetermine eligibility pursuant to subdivision (e), ~~the county shall attempt to reach the beneficiary by telephone and other commonly available electronic means, in counties where such electronic communication is available, in order to obtain this information, either directly or in collaboration with community-based organizations so long as confidentiality is protected.~~

~~(2) If a county's efforts pursuant to subdivision (e) and paragraph (1) of this subdivision to obtain the information necessary to redetermine eligibility have failed,~~ the county shall send to the beneficiary a form ~~stating~~ *that is prepopulated with the information that the county has obtained and that states* the information needed to renew eligibility. The county shall only request information related to the change in circumstances. The county shall not request information or documentation that has been previously provided by the beneficiary, that is not absolutely

necessary to complete the eligibility determination, or that is not subject to change. The county shall only request information for nonapplicants necessary to make an eligibility determination or for a purpose directly related to the administration of the state Medicaid plan. The form shall advise the individual to provide any necessary information to the county via the Internet, by telephone, by mail, in person, or through other commonly available electronic means and, if the individual will provide the form by mail or in person, to sign the form. The form shall include a telephone number to call in order to obtain more information. The form shall be developed by the department in consultation with the counties, representatives of consumers, and eligibility workers. A Medi-Cal beneficiary shall have ~~no less than 20~~ *30* days from the date the form is mailed pursuant to this subdivision to respond. Except as provided in paragraph ~~(3)~~ *(2)*, failure to respond prior to the end of this ~~20-day~~ *30-day* period shall not impact his or her Medi-Cal eligibility.

~~(3)~~

(2) If the purpose for a redetermination under this section is a loss of contact with the Medi-Cal beneficiary, as evidenced by the return of mail marked in such a way as to indicate that it could not be delivered to the intended recipient or that there was no forwarding address, a return of the form described in this subdivision marked as undeliverable shall result in an immediate notice of action terminating Medi-Cal eligibility.

~~(4) If, within 20 days of the date of mailing of a form to the Medi-Cal beneficiary pursuant to this subdivision, a beneficiary does not submit the completed form to the county or otherwise provide the needed information to the county, the county shall send the beneficiary a written notice of action stating that his or her eligibility shall be terminated 10 days from the date of the notice and the reasons for that determination, unless the beneficiary submits a completed form or otherwise provides the needed information to the county prior to the end of the 10-day period.~~

~~(5) If, within 20 days of~~

(3) During the 30-day period after the date of mailing of a form to the Medi-Cal beneficiary pursuant to this subdivision, ~~the beneficiary submits an incomplete form,~~ the county shall attempt to contact the beneficiary by telephone, in writing, or other commonly available electronic means, in counties where such

electronic communication is available, to request the necessary information *if the beneficiary has not responded to the request for additional information or has provided an incomplete response*. If the beneficiary does not supply the necessary information to the county within ~~10 days from the date the county contacts the beneficiary in regard to the incomplete form~~ *the 30-day limit*, a 10-day notice of termination of Medi-Cal eligibility shall be sent.

~~(j)~~

(k) The department shall, with the counties and representatives of consumers, including those with disabilities, and Medi-Cal eligibility workers, develop a timeframe for redetermination of Medi-Cal eligibility based upon disability, including ex parte review, the redetermination forms described in subdivisions (f) and (g), timeframes for responding to county or state requests for additional information, and the forms and procedures to be used. The forms and procedures shall be as consumer-friendly as possible for people with disabilities. The timeframe shall provide a reasonable and adequate opportunity for the Medi-Cal beneficiary to obtain and submit medical records and other information needed to establish eligibility for Medi-Cal based upon disability.

~~(k)~~

(l) The county shall consider blindness as continuing until the reviewing physician determines that a beneficiary's vision has improved beyond the applicable definition of blindness contained in the plan.

~~(l)~~

(m) The county shall consider disability as continuing until the review team determines that a beneficiary's disability no longer meets the applicable definition of disability contained in the plan.

~~(m) If a county has enough information available to it to renew eligibility with respect to all eligibility criteria, the county shall begin a new 12-month eligibility period.~~

(n) In the case of a redetermination due to a change in circumstances, if a county determines that the beneficiary remains eligible for Medi-Cal benefits, the county shall begin a new 12-month eligibility period.

~~(n)~~

(o) For individuals determined ineligible for Medi-Cal by a county following the redetermination procedures set forth in this section, the county shall determine eligibility for other insurance affordability programs and if the individual is found to be eligible, the county shall, as appropriate, transfer the individual's electronic account to other insurance affordability programs via a secure electronic interface.

signatures, telephonic signatures, and handwritten signatures transmitted by electronic transmission shall be accepted.

~~(r)~~

(s) For purposes of this section, "MAGI-based financial methods" means income calculated using the financial methodologies described in Section 1396a(e)(14) of Title 42 of the United States Code, and as added by the federal Patient Protection and Affordable Care Act (Public Law 111-148), as amended by the federal Health Care and Education Reconciliation Act of 2010 (Public Law 111-152), and any subsequent amendments.

(t) When contacting a beneficiary under paragraphs (2) and (4) of subdivision (f), and paragraph (3) of subdivision (g), a county shall first attempt to use the method of contact identified by the beneficiary as the preferred method of contact, if a method has been identified.

(u) The department shall seek federal approval to extend the annual redetermination date under this section for a three-month period for those Medi-Cal beneficiaries whose annual redeterminations are scheduled to occur between January 1, 2014, and March 31, 2014.

(v) Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the department, without taking any further regulatory action, shall implement, interpret, or make specific this section by means of all-county letters, plan letters, plan or provider bulletins, or similar instructions until the time regulations are adopted. (b) Except as provided in paragraph (8) of subdivision (c), individuals who are eligible under subdivision (a) shall be required to enroll into Medi-Cal managed care health plans.

(c) Except as provided in subdivision (d), with respect to managed care health plan enrollment, a LIHP enrollee shall be notified by the department at least 60 days prior to January 1, 2014, in accordance with the department's LIHP transition plan of all of the following:

(1) Which Medi-Cal managed care health plan or plans contain his or her existing primary care provider, if the department has this information and the primary care provider is contracted with a Medi-Cal managed care health plan.

(2) That the LIHP enrollee, subject to his or her ability to change as described in paragraph (3), will be assigned to a health plan that includes his or her primary care provider and enrolled effective January 1, 2014. If the enrollee wants to keep his or her primary care provider, no additional action will be required if the primary care provider is contracted with a Medi-Cal managed care health plan.

(3) That the LIHP enrollee may choose any available Medi-Cal managed care health plan and primary care provider in his or her county of residence prior to January 1, 2014, if more than one such plan is available in the county where he or she resides, and he or she will receive all provider and health plan information required to be sent to new enrollees and instructions on how to choose or change his or her health plan and primary care provider.

(4) That in counties with more than one Medi-Cal managed care health plan, if the LIHP enrollee does not affirmatively choose a plan within 30 days of receipt of the notice, he or she shall be enrolled into the Medi-Cal managed care health plan that contains his or her LIHP primary care provider as part of the Medi-Cal managed care contracted primary care network, if the department has this information about the primary care provider, and the primary care provider is contracted with a Medi-Cal managed care health plan. If the primary care provider is contracted with more than one Medi-Cal managed care health plan, then the LIHP enrollee will be assigned to one of the health plans containing his or her primary care provider in accordance with an assignment process established to ensure the linkage.

(5) That if the LIHP enrollee's existing primary care provider is not contracted with any Medi-Cal managed care health plan, then he or she will receive all provider and health plan information required to be sent to new enrollees. If the LIHP enrollee does not affirmatively select one of the available Medi-Cal managed care plans within 30 days of receipt of the notice, he or she will automatically be assigned a plan through the department-prescribed auto-assignment process.

(6) That the LIHP enrollee does not need to take any action to be transitioned to the Medi-Cal program or to retain his or her primary care provider, if the primary care provider is available pursuant to paragraph (2).

(7) That the LIHP enrollee may choose not to transition to the Medi-Cal program, and what this choice will mean for his or her health care coverage and access to health care services.

(8) That in counties where no Medi-Cal managed care health plans are available, the LIHP enrollee will be transitioned into fee-for-service Medi-Cal, and provided with all information that is required to be sent to new Medi-Cal enrollees including the assistance telephone number for fee-for-service beneficiaries, and that, if a Medi-Cal managed care health plan becomes available in the residence county, he or she will be enrolled in a Medi-Cal managed care health plan according to the enrollment procedures in place at that time.

(d) Individuals who qualify under subdivision (a) who apply and are determined eligible for LIHP after the date identified by the department that is not later than October 1, 2013, will be considered late enrollees. Late enrollees shall be notified in accordance with subdivision (c), except according to a different timeframe, but will transition to Medi-Cal coverage on January 1, 2014. Late enrollees after the date identified in this subdivision shall be transitioned pursuant to the department's LIHP transition plan process.

(e) Individuals who qualify under subdivision (a) and are not denoted as active LIHP enrollees according to the Medi-Cal Eligibility Data System at any point within the date range identified by the department that will start not sooner than December 20, 2013, and continue through December 31, 2013, will not be included in the LIHP transition to the Medi-Cal program. These

individuals may apply for Medi-Cal eligibility separately from the LIHP transition process.

(f) In conformity with the department's transition plan, individuals who are enrolled in a LIHP at any point from September 2013 through December 2013, under California's Bridge to Reform Section 1115(a) Medicaid Demonstration and are above 133 percent of the federal poverty level will be provided information regarding how to apply for an insurance affordability program, including submission of an application by telephone, by mail, online, or in person.

(g) A Medi-Cal managed care health plan that receives a LIHP enrollee during this transition shall assign the LIHP primary care provider of the enrollee as the Medi-Cal managed care health plan primary care provider of the enrollee, to the extent possible, if the Medi-Cal managed care health plan contracts with that primary care provider, unless the beneficiary has chosen another primary care provider on his or her choice form. A LIHP enrollee who is enrolled into a Medi-Cal managed care plan may work through the Medi-Cal managed care plan to change his or her assigned primary care provider or other provider, after enrollment and subject to provider availability, according to the standard processes that are currently available in Medi-Cal managed care for selecting providers.

(h) The director may, with federal approval, suspend, delay, or otherwise modify the requirement for LIHP program eligibility redeterminations in 2013 to facilitate the process of transitioning LIHP enrollees to other health coverage in 2014.

(i) The county LIHPs and their designees shall work with the department and its designees during the 2013 and 2014 calendar years to facilitate continuity of care and data sharing for the purposes of delivering Medi-Cal services in the 2014 calendar year.

(j) This section shall be implemented only if and to the extent that federal financial participation under Title XIX of the federal Social Security Act (42 U.S.C. Sec. 1396 et seq.) is available and all necessary federal approvals have been obtained.

~~SEC. 21. Section 14005.63 is added to the Welfare and Institutions Code, to read:~~

~~14005.63. (a) A person who wishes to apply for an insurance affordability program shall be allowed to file an application on his~~

~~or her own behalf or on behalf of his or her family. Subject to the requirements of Section 14014.5, an individual also may be accompanied, assisted, and represented in the application and renewal process by an individual or organization of his or her own choice. If the individual, for any reason, is unable to apply or renew on his or her own behalf, any of the following persons may assist in the application process or during a renewal of eligibility:~~

~~(1) The individual's guardian, conservator, a person authorized to make health care decisions on behalf of the individual pursuant to an advance health care directive, or executor or administrator of the individual's estate.~~

~~(2) A public agency representative.~~

~~(3) The individual's legal counsel, relative, friend, or other spokesperson of his or her choice.~~

~~(b) A person who wishes to challenge a decision concerning his or her eligibility for or receipt of benefits from an insurance affordability program has the right to represent himself or herself or use legal counsel, a relative, a friend, or other spokesperson of his or her choice subject to the requirements of Section 14014.5.~~

~~(c) To the extent otherwise required by Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the department shall adopt emergency regulations implementing this section no later than July 1, 2015. The department may thereafter readopt the emergency regulations pursuant to that chapter. The adoption and readoption, by the department, of regulations implementing this section shall be deemed to be an emergency and necessary to avoid serious harm to the public peace, health, safety, or general welfare for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the department is hereby exempted from the requirement that it describe facts showing the need for immediate action and from review by the Office of Administrative Law.~~

~~(d) This section shall be implemented on October 1, 2013, or when all necessary federal approvals have been obtained, whichever is later, and only if and to the extent that federal financial participation is available.~~

~~SEC. 22. Section 14005.64 is added to the Welfare and Institutions Code, to read:~~

~~14005.64. (a) This section implements Section 1902(e)(14)(C) of the federal Social Security Act (42 U.S.C. Sec. 1396a(e)(14)(C))~~

~~and Section 435.603(g) of Title 42 of the Code of Federal Regulations, which prohibits the use of an assets test for individuals whose income eligibility is determined based on modified adjusted gross income (MAGI), and Section 2002 of the federal Patient Protection and Affordable Care Act (Affordable Care Act) (42 U.S.C. Sec. 1396a(e)(14)(I)) and Section 435.603(d) of Title 42 of the Code of Federal Regulations, which requires a 5-percent income disregard for individuals whose income eligibility is determined based on MAGI.~~

~~(b) In the case of individuals whose financial eligibility for Medi-Cal is determined based on the application of MAGI pursuant to Section 435.603 of Title 42 of the Code of Federal Regulations, the eligibility determination shall not include any assets or resources test.~~

~~(c) The department shall implement the 5-percent income disregard for individuals whose income eligibility is determined based on MAGI in Section 2002 of the Affordable Care Act (42 U.S.C. Sec. 1396a(e)(14)(I)) and Section 435.603(d) of Title 42 of the Code of Federal Regulations.~~

~~(d) The department shall adopt an equivalent income level for each eligibility group whose income level will be converted to MAGI. The equivalent income level shall not be less than the dollar amount of all income exemptions, exclusions, deductions, and disregards in effect on March 23, 2010, plus the existing income level expressed as a percent of the federal poverty level for each eligibility group so as to ensure that the use of MAGI income methodology does not result in populations who would have been eligible under this chapter and Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code losing coverage.~~

~~(e)~~

~~The department shall include individuals under 19 years of age, or in the case of full-time students, under 21 years of age, in the household for purposes of determining eligibility under Section 1396a(e)(14) of Title 42 of the United States Code, as added by the federal Patient Protection and Affordable Care Act (Public Law 111-148), and as amended by the federal Health Care and Education Reconciliation Act of 2010 (Public Law 111-152) and any subsequent amendments, as provided in Section 435.603(f)(3) of Title 42 of the Code of Federal Regulations.~~

~~(f) This section shall become operative on January 1, 2014.~~

~~SEC. 23. Section 14005.65 is added to the Welfare and Institutions Code, to read:~~

~~14005.65. In accordance with the state's options under Section 435.603(h) of Title 42 of the Code of Federal Regulations, the department shall adopt procedures to take into account projected future changes in income and family size, for individuals whose Medi-Cal income eligibility is determined using MAGI-based methods, in order to grant or maintain eligibility for those individuals who may be ineligible or become ineligible if only the current monthly income and family size are considered.~~

~~(a) For current beneficiaries whose eligibility has already been approved, the department shall base financial eligibility on projected annual household income for the remainder of the current calendar year if the current monthly income would render the beneficiary ineligible due to fluctuating income.~~

~~(b) For applicants, the department shall, in determining the current monthly household income and family size, base an initial determination of eligibility on the projected annual household income and family size for the upcoming year if considering the current monthly income and family size in isolation would render an applicant ineligible.~~

~~(c) In the procedures adopted pursuant to this section, the department shall implement a reasonable method to account for a reasonably predictable decrease in income and increase in family size, as evidenced by a history of predictable fluctuations in income or other clear indicia of a future decrease in income and increase in family size. The department shall not assume potential future increases in income or decreases in family size to make an applicant or beneficiary ineligible in the current month.~~

~~(d) This section shall become operative on January 1, 2014.~~

SEC. 11. Section 14005.64 is added to the Welfare and Institutions Code, to read:

14005.64. (a) Effective January 1, 2014, and notwithstanding any other provision of law, when determining eligibility for Medi-Cal benefits, an applicant's or beneficiary's income and resources shall be determined, counted, and valued in accordance with the requirements of Section 1902(e)(14) of the federal Social Security Act (42 U.S.C. 1396a(e)(14)), as added by the ACA, which prohibits the use of an assets or resources test for individuals

whose income eligibility is determined based on modified adjusted gross income.

(b) When determining the eligibility of applicants and beneficiaries using the MAGI-based financial methods, the 5-percent income disregard required under Section 1902(e)(14)(B)(I) of the federal Social Security Act (42 U.S.C. Sec. 1396a(e)(14)(B)(I)) shall be applied.

(c) (1) The department shall establish income eligibility thresholds for those Medi-Cal eligibility groups whose eligibility will be determined using MAGI-based financial methods. The income eligibility thresholds shall be developed using the financial methodologies described in Section 1396a(e)(14) of Title 42 of the United States Code and in conformity with Section 1396a(gg) of Title 42 of the United States Code as added by the ACA.

(2) In utilizing state data or the national standard methodology with Survey of Income and Program Participation data to develop the converted modified adjusted gross income standard for Medi-Cal applicants and beneficiaries, the department shall ensure that the financial methodology used for identifying the equivalent income eligibility threshold preserves Medi-Cal eligibility for applicants and beneficiaries to the extent required by federal law. The department shall report to the Legislature on the expected changes in income eligibility thresholds using the chosen methodology for individuals whose income is determined on the basis of a converted dollar amount or federal poverty level percentage. The department shall convene stakeholders, including the Legislature, counties, and consumer advocates regarding the results of the converted standards and shall review with them the information used for the specific calculations before adopting its final methodology for the equivalent income eligibility threshold level.

(d) The department shall include individuals under 19 years of age, or in the case of full-time students, under 21 years of age, in the household for purposes of determining eligibility under Section 1396a(e)(14) of Title 42 of the United States Code, as added by the ACA.

(e) For purposes of this section, the following definitions shall apply:

(1) "ACA" means the federal Patient Protection and Affordable Care Act (Public Law 111-148) as originally enacted and as

Before a prepopulated application is submitted to the entity authorized to make eligibility determinations, the individual shall be given the opportunity to provide additional eligibility information and to correct any information retrieved from a database.

(2) All insurance affordability programs ~~shall~~ *may* accept self-attestation, instead of requiring an individual to produce a document, for age, date of birth, family size, household income, state residence, pregnancy, and any other applicable criteria needed to determine the eligibility of an applicant or recipient, to the extent permitted by state and federal law.

(3) An applicant or recipient shall have his or her information electronically verified in the manner required by the PPACA and implementing federal regulations and guidance *and state law*.

(6) To the extent federal financial participation is available, an applicant shall be provided benefits in accordance with the rules of the insurance affordability program, as implemented in federal regulations and guidance, for which he or she otherwise qualifies until a determination is made that he or she is not eligible and all applicable notices have been provided. Nothing in this section shall be interpreted to grant presumptive eligibility if it is not otherwise required by state law, and, if so required, then only to the extent permitted by federal law.

(g) The eligibility, enrollment, and retention system shall offer an applicant and recipient assistance with his or her application or renewal for an insurance affordability program in person, over the telephone, by mail, online, or through other commonly available electronic means and in a manner that is accessible to individuals with disabilities and those who are limited-English proficient.

(h) (1) During the processing of an application, renewal, or a transition due to a change in circumstances, an entity making eligibility determinations for an insurance affordability program shall ensure that an eligible applicant and recipient of insurance affordability programs that meets all program eligibility

requirements and complies with all necessary requests for information moves between programs without any breaks in coverage and without being required to provide any forms, documents, or other information or undergo verification that is duplicative or otherwise unnecessary. The individual shall be informed about how to obtain information about the status of his or her application, renewal, or transfer to another program at any time, and the information shall be promptly provided when requested.

(2) The application or case of an individual screened as not eligible for Medi-Cal on the basis of Modified Adjusted Gross Income (MAGI) household income but who may be eligible on the basis of being 65 years of age or older, or on the basis of blindness or disability, shall be forwarded to the Medi-Cal program for an eligibility determination. During the period this application or case is processed for a non-MAGI Medi-Cal eligibility determination, if the applicant or recipient is otherwise eligible for an insurance affordability program, he or she shall be determined eligible for that program.

(3) Renewal procedures shall include all available methods for reporting renewal information, including, but not limited to, face-to-face, telephone, mail, and online renewal or renewal through other commonly available electronic means.

(4) An applicant who is not eligible for an insurance affordability program for a reason other than income eligibility, or for any reason in the case of applicants and recipients residing in a county that offers a health coverage program for individuals with income above the maximum allowed for the Exchange premium tax credits, shall be referred to the county health coverage program in his or her county of residence.

(i) Notwithstanding subdivisions (e), (f), and (j), before an online applicant who appears to be eligible for the Exchange with a premium tax credit or reduction in cost sharing, or both, may be enrolled in the Exchange, both of the following shall occur:

(1) The applicant shall be informed of the overpayment penalties under the federal Comprehensive 1099 Taxpayer Protection and Repayment of Exchange Subsidy Overpayments Act of 2011 (Public Law 112-9), if the individual's annual family income increases by a specified amount or more, calculated on the basis of the individual's current family size and current income, and that

1 penalties are avoided by prompt reporting of income increases
2 throughout the year.
3 (2) The applicant shall be informed of the penalty for failure to
4 have minimum essential health coverage.
5 (j) The department shall, in coordination with MRMIB and the
6 Exchange board, streamline and coordinate all eligibility rules and
7 requirements among insurance affordability programs using the
8 least restrictive rules and requirements permitted by federal and
9 state law. This process shall include the consideration of
10 methodologies for determining income levels, assets, rules for
11 household size, citizenship and immigration status, and
12 self-attestation and verification requirements.
13 (k) (1) Forms and notices developed pursuant to this section
14 shall be accessible and standardized, as appropriate, and shall
15 comply with federal and state laws, regulations, and guidance
16 prohibiting discrimination.
17 (2) Forms and notices developed pursuant to this section shall
18 be developed using plain language and shall be provided in a
19 manner that affords meaningful access to limited-English-proficient
20 individuals, in accordance with applicable state and federal law,
21 and at a minimum, provided in the same threshold languages as
22 required for Medi-Cal managed care plans.
23 (*l*) The department, the California Health and Human Services
24 Agency, MRMIB, and the Exchange board shall establish a process
25 for receiving and acting on stakeholder suggestions regarding the
26 functionality of the eligibility systems supporting the Exchange,
27 including the activities of all entities providing eligibility screening
28 to ensure the correct eligibility rules and requirements are being
29 used. This process shall include consumers and their advocates,
30 be conducted no less than quarterly, and include the recording,
31 review, and analysis of potential defects or enhancements of the
32 eligibility systems. The process shall also include regular updates
33 on the work to analyze, prioritize, and implement corrections to
34 confirmed defects and proposed enhancements, and to monitor
35 screening.
36 (m) In designing and implementing the eligibility, enrollment,
37 and retention system, the department, MRMIB, and the Exchange
38 board shall ensure that all privacy and confidentiality rights under
39 the PPACA and other federal and state laws are incorporated and
40 followed, including responses to security breaches.

(n) Except as otherwise specified, this section shall be operative on January 1, 2014.
