An act to amend Section 14005.37 of the Welfare and Institutions Code, relating to Medi-Cal.

LEGISLATIVE COUNSEL’S DIGEST

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid Program provisions.

Existing law generally requires a county to redetermine a Medi-Cal beneficiary’s eligibility to receive Medi-Cal benefits every 12 months and whenever the county receives information about changes in a beneficiary’s circumstances that may affect his or her eligibility for Medi-Cal benefits. Under existing law, when a redetermination is performed due to a change in circumstances, if a county determines that the beneficiary remains eligible for Medi-Cal benefits, the county must begin a new 12-month eligibility period.

This bill would require a county, when a redetermination is performed due to a change in circumstances, and the county received or gathered the information about the change in circumstance during a CalFresh application, or gathered the information about the change in circumstances during a CalFresh redetermination, application or recertification, and the beneficiary is determined eligible to receive
CalFresh benefits, to begin the new 12-month Medi-Cal eligibility period on a date that would align the beneficiary’s Medi-Cal eligibility period with his or her household CalFresh certification period. The bill would also require the county, in certain circumstances, to begin a new 12-month Medi-Cal eligibility period that would align a beneficiary’s Medi-Cal eligibility period with his or her CalFresh household certification period. The bill would provide that these provisions only be implemented to the extent permitted by federal law and to the extent that they do not violate federal Medicaid maintenance of effort rules. By imposing additional duties on counties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. This act shall be known, and may be cited, as The Aligning Opportunities for Health Act of 2014.
SEC. 2. Section 14005.37 of the Welfare and Institutions Code is amended to read:

(a) Except as provided in subdivision (n) and in Section 14005.39, a county shall perform redeterminations of eligibility for Medi-Cal beneficiaries every 12 months and shall promptly redetermine eligibility whenever the county receives information about changes in a beneficiary’s circumstances that may affect eligibility for Medi-Cal benefits. The procedures for redetermining Medi-Cal eligibility described in this section shall apply to all Medi-Cal beneficiaries.

(b) Loss of eligibility for cash aid under CalWORKs shall not result in a redetermination under this section unless the reason for the loss of eligibility is one that would result in the need for a redetermination for a person whose eligibility for Medi-Cal under Section 14005.30 was determined without a concurrent
determination of eligibility for cash aid under the CalWORKs program.

(c) A loss of contact, as evidenced by the return of mail marked in such a way as to indicate that it could not be delivered to the intended recipient or that there was no forwarding address, shall require a prompt redetermination according to the procedures set forth in this section.

(d) Except as otherwise provided in this section, Medi-Cal eligibility shall continue during the redetermination process described in this section and a beneficiary’s Medi-Cal eligibility shall not be terminated under this section until the county makes a specific determination based on facts clearly demonstrating that the beneficiary is no longer eligible for Medi-Cal benefits under any basis and due process rights guaranteed under this division have been met. For the purposes of this subdivision, for a beneficiary who is subject to the use of MAGI-based financial methods, the determination of whether the beneficiary is eligible for Medi-Cal benefits under any basis shall include, but is not limited to, a determination of eligibility for Medi-Cal benefits on a basis that is exempt from the use of MAGI-based financial methods only if either of the following occurs:

(A) The county assesses the beneficiary as being potentially eligible under a program that is exempt from the use of MAGI-based financial methods, including, but not limited to, on the basis of age, blindness, disability, or the need for long-term care services and supports.

(B) The beneficiary requests that the county determine whether he or she is eligible for Medi-Cal benefits on a basis that is exempt from the use of MAGI-based financial methods.

(e) (1) For purposes of acquiring information necessary to conduct the eligibility redeterminations described in this section, a county shall gather information available to the county that is relevant to the beneficiary’s Medi-Cal eligibility prior to contacting the beneficiary. Sources for these efforts shall include information contained in the beneficiary’s file or other information, including more recent information available to the county, including, but not limited to, Medi-Cal, CalWORKs, and CalFresh case files of the beneficiary or of any of his or her immediate family members, which are open, or were closed within the last 90 days, information accessed through any databases accessed under Sections 435.948,
435.949, and 435.956 of Title 42 of the Code of Federal Regulations, and wherever feasible, other sources of relevant information reasonably available to the county or to the county via the department.

(2) In the case of an annual redetermination, if, based upon information obtained pursuant to paragraph (1), the county is able to make a determination of continued eligibility, the county shall notify the beneficiary of both of the following:

(A) The eligibility determination and the information it is based on.

(B) That the beneficiary is required to inform the county via the Internet, by telephone, by mail, in person, or through other commonly available electronic means, in counties where such electronic communication is available, if any information contained in the notice is inaccurate but that the beneficiary is not required to sign and return the notice if all information provided on the notice is accurate.

(3) The county shall make all reasonable efforts not to send multiple notices during the same time period about eligibility. The notice of eligibility renewal shall contain other related information such as if the beneficiary is in a new Medi-Cal program.

(4) In the case of a redetermination due to a change in circumstances, if a county determines that the change in circumstances does not affect the beneficiary’s eligibility status, the county shall not send the beneficiary a notice unless required to do so by federal law.

(f) (1) In the case of an annual eligibility redetermination, if the county is unable to determine continued eligibility based on the information obtained pursuant to paragraph (1) of subdivision (e), the beneficiary shall be so informed and shall be provided with an annual renewal form, at least 60 days before the beneficiary’s annual redetermination date, that is prepopulated with information that the county has obtained and that identifies any additional information needed by the county to determine eligibility. The form shall include all of the following:

(A) The requirement that he or she provide any necessary information to the county within 60 days of the date that the form is sent to the beneficiary.

(B) That the beneficiary may respond to the county via the Internet, by mail, by telephone, in person, or through other
(C) That if the beneficiary chooses to return the form to the county in person or via mail, the beneficiary shall sign the form in order for it to be considered complete.

(D) The telephone number to call in order to obtain more information.

(2) The county shall attempt to contact the beneficiary via the Internet, by telephone, or through other commonly available electronic means, if those means are available in that county, during the 60-day period after the prepopulated form is mailed to the beneficiary to collect the necessary information if the beneficiary has not responded to the request for additional information or has provided an incomplete response.

(3) If the beneficiary has not provided any response to the written request for information sent pursuant to paragraph (1) within 60 days from the date the form is sent, the county shall terminate his or her eligibility for Medi-Cal benefits following the provision of timely notice.

(4) If the beneficiary responds to the written request for information during the 60-day period pursuant to paragraph (1) but the information provided is not complete, the county shall follow the procedures set forth in paragraph (3) of subdivision (g) to work with the beneficiary to complete the information.

(5) (A) The form required by this subdivision shall be developed by the department in consultation with the counties and representatives of eligibility workers and consumers.

(B) For beneficiaries whose eligibility is not determined using MAGI-based financial methods, the county may use existing renewal forms until the state develops prepopulated renewal forms to provide to beneficiaries. The department shall develop prepopulated renewal forms for use with beneficiaries whose eligibility is not determined using MAGI-based financial methods by January 1, 2015.

(g) (1) In the case of a redetermination due to change in circumstances, if a county cannot obtain sufficient information to redetermine eligibility pursuant to subdivision (e), the county shall send to the beneficiary a form that is prepopulated with the information that the county has obtained and that states the information needed to renew eligibility. The county shall only
request information related to the change in circumstances. The
county shall not request information or documentation that has
been previously provided by the beneficiary, that is not absolutely
necessary to complete the eligibility determination, or that is not
subject to change. The county shall only request information for
nonapplicants necessary to make an eligibility determination or
for a purpose directly related to the administration of the state
Medicaid plan. The form shall advise the individual to provide
any necessary information to the county via the Internet, by
telephone, by mail, in person, or through other commonly available
electronic means and, if the individual will provide the form by
mail or in person, to sign the form. The form shall include a
telephone number to call in order to obtain more information. The
form shall be developed by the department in consultation with
the counties, representatives of consumers, and eligibility workers.
A Medi-Cal beneficiary shall have 30 days from the date the form
is mailed pursuant to this subdivision to respond. Except as
provided in paragraph (2), failure to respond prior to the end of
this 30-day period shall not impact his or her Medi-Cal eligibility.

(2) If the purpose for a redetermination under this section is a
loss of contact with the Medi-Cal beneficiary, as evidenced by the
return of mail marked in such a way as to indicate that it could not
be delivered to the intended recipient or that there was no
forwarding address, a return of the form described in this
subdivision marked as undeliverable shall result in an immediate
notice of action terminating Medi-Cal eligibility.

(3) During the 30-day period after the date of mailing of a form
to the Medi-Cal beneficiary pursuant to this subdivision, the county
shall attempt to contact the beneficiary by telephone, in writing,
or other commonly available electronic means, in counties where
such electronic communication is available, to request the
necessary information if the beneficiary has not responded to the
request for additional information or has provided an incomplete
response. If the beneficiary does not supply the necessary
information to the county within the 30-day limit, a 10-day notice
of termination of Medi-Cal eligibility shall be sent.

(h) Beneficiaries shall be required to report any change in
circumstances that may affect their eligibility within 10 calendar
days following the date the change occurred.
(i) If within 90 days of termination of a Medi-Cal beneficiary’s eligibility or a change in eligibility status pursuant to this section, the beneficiary submits to the county a signed and completed form or otherwise provides the needed information to the county, eligibility shall be redetermined by the county and if the beneficiary is found eligible, or the beneficiary’s eligibility status has not changed, whichever applies, the termination shall be rescinded as though the form were submitted in a timely manner.

(j) If the information available to the county pursuant to the redetermination procedures of this section does not indicate a basis of eligibility, Medi-Cal benefits may be terminated so long as due process requirements have otherwise been met.

(k) The department shall, with the counties and representatives of consumers, including those with disabilities, and Medi-Cal eligibility workers, develop a timeframe for redetermination of Medi-Cal eligibility based upon disability, including ex parte review, the redetermination forms described in subdivisions (f) and (g), timeframes for responding to county or state requests for additional information, and the forms and procedures to be used. The forms and procedures shall be as consumer friendly as possible for people with disabilities. The timeframe shall provide a reasonable and adequate opportunity for the Medi-Cal beneficiary to obtain and submit medical records and other information needed to establish eligibility for Medi-Cal based upon disability.

(l) The county shall consider blindness as continuing until the reviewing physician determines that a beneficiary’s vision has improved beyond the applicable definition of blindness contained in the plan.

(m) The county shall consider disability as continuing until the review team determines that a beneficiary’s disability no longer meets the applicable definition of disability contained in the plan.

(n) (1) In the case of a redetermination due to a change in circumstances, if a county determines that the beneficiary remains eligible for Medi-Cal benefits, the county shall begin a new 12-month eligibility period. If the county received or gathered the information about the change in circumstances during a CalFresh application or gathered the information about the change in circumstances during a CalFresh recertification, and the beneficiary is determined eligible to receive CalFresh benefits, then the county shall begin the new 12-month Medi-Cal eligibility period on a date
that aligns the beneficiary’s eligibility period with his or her household CalFresh certification period.

(2) (A) Except as provided in subparagraph (B), if a county receives recertifies eligibility for, or approves an application for, CalFresh benefits from a Medi-Cal beneficiary who is not receiving CalWORKs benefits, or redetermines or recertifies eligibility for CalFresh benefits for a Medi-Cal beneficiary who is not receiving CalWORKs benefits, and no information contained in the CalFresh application, or no information gathered during the CalFresh redetermination or recertification process, requires the county to redetermine the beneficiary’s eligibility for Medi-Cal pursuant to this section, and the beneficiary is determined eligible to receive CalFresh benefits, and who is not subject to a redetermination as described in paragraph (1), the county shall begin a new 12-month Medi-Cal eligibility period that aligns the beneficiary’s eligibility period with his or her CalFresh household certification period, unless doing period.

(B) A county shall not take the action described in subparagraph (A) if doing so would increase the beneficiary’s share of cost or reduce Medi-Cal benefits for any member of the beneficiary’s CalFresh family budget unit, in which case the beneficiary’s Medi-Cal eligibility period and CalFresh certification period shall remain unaligned.

(C) This paragraph shall not be construed to permit a CalFresh recipient who is otherwise ineligible for Medi-Cal benefits to receive Medi-Cal benefits.

(3) This subdivision The changes made to this subdivision by the act that added this paragraph shall be implemented to the extent permitted by federal law and to the extent that this action does not violate federal Medicaid maintenance of effort rules.

(o) For individuals determined ineligible for Medi-Cal by a county following the redetermination procedures set forth in this section, the county shall determine eligibility for other insurance affordability programs and if the individual is found to be eligible, the county shall, as appropriate, transfer the individual’s electronic account to other insurance affordability programs via a secure electronic interface.
(p) Any renewal form or notice shall be accessible to persons who are limited English proficient and persons with disabilities consistent with all federal and state requirements.

(q) The requirements to provide information in subdivisions (e) and (g), and to report changes in circumstances in subdivision (h), may be provided through any of the modes of submission allowed in Section 435.907(a) of Title 42 of the Code of Federal Regulations, including an Internet Web site identified by the department, telephone, mail, in person, and other commonly available electronic means as authorized by the department.

(r) Forms required to be signed by a beneficiary pursuant to this section shall be signed under penalty of perjury. Electronic signatures, telephonic signatures, and handwritten signatures transmitted by electronic transmission shall be accepted.

(s) For purposes of this section, “MA GI-based financial methods” means income calculated using the financial methodologies described in Section 1396a(e)(14) of Title 42 of the United States Code, and as added by the federal Patient Protection and Affordable Care Act (Public Law 111-148), as amended by the federal Health Care and Education Reconciliation Act of 2010 (Public Law 111-152), and any subsequent amendments.

(t) When contacting a beneficiary under paragraphs (2) and (4) of subdivision (f), and paragraph (3) of subdivision (g), a county shall first attempt to use the method of contact identified by the beneficiary as the preferred method of contact, if a method has been identified.

(u) The department shall seek federal approval to extend the annual redetermination date under this section for a three-month period for those Medi-Cal beneficiaries whose annual redeterminations are scheduled to occur between January 1, 2014, and March 31, 2014.

(v) Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the department, without taking any further regulatory action, shall implement, interpret, or make specific this section by means of all-county letters, plan letters, plan or provider bulletins, or similar instructions until the time regulations are adopted. The department shall adopt regulations by July 1, 2017, in accordance with the requirements of Chapter 3.5 (commencing with Section 11340) of
Part 1 of Division 3 of Title 2 of the Government Code. Beginning six months after the effective date of this section, and notwithstanding Section 10231.5 of the Government Code, the department shall provide a status report to the Legislature on a semiannual basis, in compliance with Section 9795 of the Government Code, until regulations have been adopted.

(w) This section shall be implemented only if and to the extent that federal financial participation is available and any necessary federal approvals have been obtained.

(x) This section shall become operative on January 1, 2014.

SEC. 3. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
